fulfilling male desire	fulfilling female desire	
male-oriented AV	female-oriented AV	
male 'done something to woman', whether by penetrating domanantly, or r ejaculation inside women's body	<p>1. famales still act passively, no matter in sex scenes or daily routine. The difference is only that male act gently.</p> <p>2. Meanwhile, females love to show their maternity, by taking care vulnerable boys</p>	

both are criticized by feminists, as they are both under the structure of patriarchy, especially common in Asia.

How about 'The Slutty Woman' themes?
Female act actively in the scene, by showing their strong desires and taking riding positions
However, the mainstream of female audience don't like that.

This is actually targeting male audience

## Silk Labo, the 'New Man', and the Illusion of Choice

1155131028 Cheung Hok Lai (Donald)

**What do you wish to see in your ideal man?**

- “As opposed to” the male gaze
  - Filming
  - Character interaction
  - Spectatorship

## Female Gaze

## Hambleton's Identification of the Female Gaze in Silk Labo's pornography

- Young, slim, clean-cut, well-groomed, handsome male actors
- Male performers as the objects of desire
- Less focus on the penis
- Depictions of male performers as more than 'penetrating phalluses'

## The 'New Man'

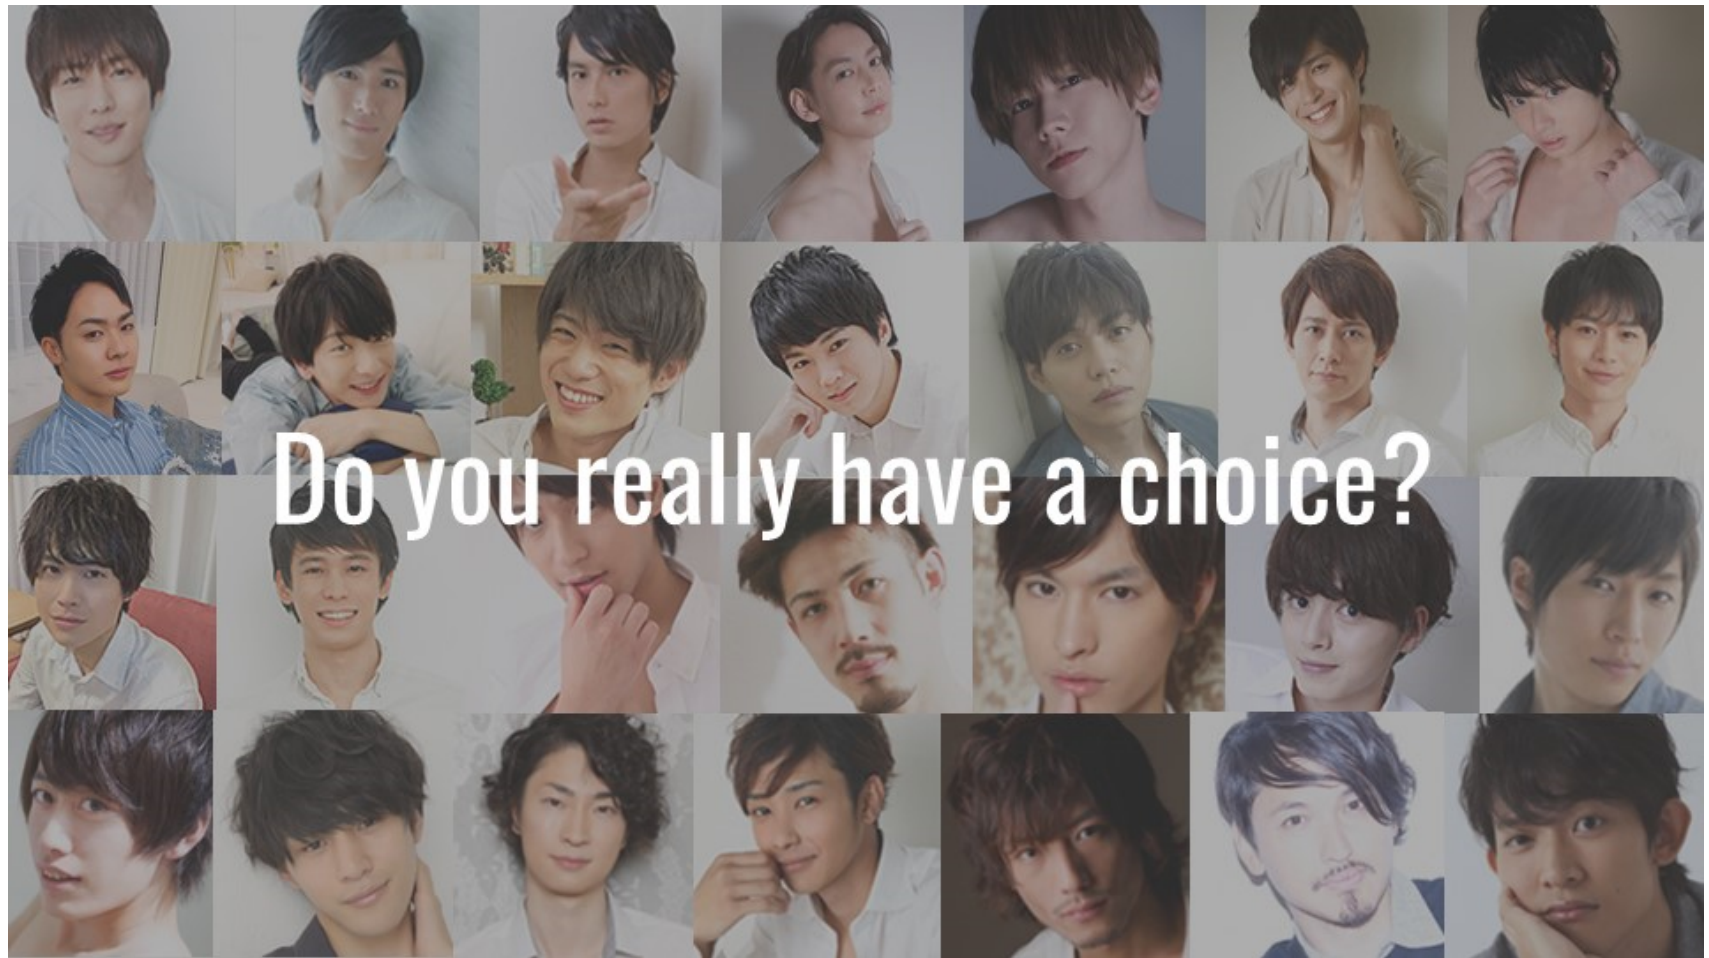

- Rejects sexist attitudes and the traditional male role, especially in housework and childcare
- Caring, sensitive
- Non-aggressive
- Metrosexual
  - Conscious, careful management of appearance
  - Well-groomed, well-dressed
  - Expression of emotions and more feminine traits

## Is the 'New Man' Liberating?

- Allows men to escape traditional gender stereotypes  
vs.  
Forges new gender expectations for men to follow
- What performance is expected from men in intimacy?
  - 'Hoso-macho' or mesomorphic bodies
  - Well-groomed
  - Caring to the partner
  - Non-aggressive
  - Consent-seeking

## Is Silk Labo Feminist Pornography?

- Moves away from phallocentrism
- Reduces objectification of performers
- Increases female participation in porn production
- Caters to female consumers who were previously neglected
- Brings female pleasure and desire into the limelight
- Remains centric on intercourse
- Restricts imagination of different male body types and gender expressions
- Fails to recognize sexual fantasies other than vanilla sex

**Are we creating a new mode of pornography production?  
Or are we simply swapping male and female roles?**

## Attitude of Chinese Netizens towards the Censorship

- X confront
- sneak to other realm to express their sexuality
- admit their sexual desire is dirty, degraded themselves by calling themselves rbq
- having their free space to express and create, but at the same time accept and put up with the control by the gov.
- → reinforced the suppression of sex

## Reflection

1. Is silencing the best way to cope with suppression?
2. Why do the CCP suppress sex? How do sex affect it's governance? If everyone is busying having sex, they won't have time to rebellion or challenge the government 🤔 why surveillance and censorship is needed?
3. What is the discourse of sex in China? How the physical body of people related to the country? Does having sexual desire means disobeying/ disloyalty to the CCP? Is having sex a kind of betrayal to the country in this context?
